This book lists the candidates for state and federal offices and the proposed constitutional amendments that will appear on the ballot for the November 8, 2016 General Election.

Dear Investors and Friends,

The Florida Chamber of Commerce and Florida Farm Bureau are pleased to provide the 2016 Election Guide to serve as your resource for the upcoming General Election.

During a presidential election, it's easy to get caught up in the excitement at the very top of the ballot, but there's more to this election than just the presidential race. As the saying goes, all politics is local. And that's more important than ever.

This year, all 160 seats in the Florida Legislature, 27 Congressional seats and one U.S. Senate seat will stand for election. Additionally, there will be four proposed amendments to the Florida Constitution.

We hope you'll agree that it's incredibly important for all Floridians to be well-informed and have their voices heard on November 8. We encourage you to share this guide with others and support greater participation in our state's voting process.

Please contact us if you have any questions about these candidates or the issues on the ballot this year.

Sincerely,

Marian Johnson
Senior Vice President of Political Strategy
Florida Chamber of Commerce
(850) 521-1241

Adam Basford
Director of State Legislative Affairs
Florida Farm Bureau Federation

AMENDMENT No. 1 Rights of Electricity Consumers regarding Solar Energy Choice

Official Ballot Summary:

This amendment establishes a right under Florida's constitution for consumers to own or lease solar equipment installed on their property to generate electricity for their own use. State and local governments shall retain their abilities to protect consumer rights and public health, safety and welfare, and to ensure that consumers who do not choose to install solar are not required to subsidize the costs of backup power and electric grid access to those who do.

Sponsor:

Consumers for Smart Solar

Analysis:

Amendment 1 will be the second solar constitutional amendment voted on this year. Amendment 4, Solar or Renewable Energy Source Devices/Exemption from Certain Taxation and Assessment, passed on August 30, 2016. Amendment 1 allows residents of Florida the freedom to produce or lease their own solar energy. Florida residents who do not want to produce their own solar energy will not have to subsidize the solar energy production by others.

Our View:

The Florida Chamber OPPOSES this amendment.

The Florida Farm Bureau SUPPORTS this amendment.

AMENDMENT No. 2 Use of Marijuana for Debilitating Medical Conditions

Official Ballot Summary:

Allows medical use of marijuana for individuals with debilitating medical conditions as determined by a licensed Florida physician. Allows caregivers to assist patients' medical use of marijuana. The Department of Health shall register and regulate centers that produce and distribute marijuana for medical purposes and shall issue identification cards to patients and caregivers. Applies only to Florida law. Does not immunize violations of federal law or any non-medical use, possession or production of marijuana.

Sponsor:

People United for Medical Marijuana

Analysis:

Amendment 2 permits people with certain, debilitating medical conditions to use marijuana as a method of treatment. This treatment has to be prescribed by a licensed, Florida physician and the patient and/or caregiver must have a valid identification card. Non-medical use of marijuana will still be illegal.

Our View:

The Florida Chamber OPPOSES this amendment.

The Florida Farm Bureau OPPOSES this amendment.

**AMENDMENT NO. 3
Tax Exemption for Totally and Permanently Disabled First Responders**

Official Ballot Summary:

Proposing an amendment to the State Constitution to authorize a first responder, who is totally and permanently disabled as a result of injuries sustained in the line of duty, to receive relief from ad valorem taxes assessed on homestead property, if authorized by general law. If approved by voters, the amendment takes effect January 1, 2017.

Sponsor:

The Florida Legislature

Analysis:

The joint resolution proposes an amendment to the Florida Constitution to allow the Legislature to provide ad valorem tax relief to a first responder who is totally permanently disabled as a result of an injury or injuries sustained in the line of duty. The amount of tax relief may equal the total amount or a portion of the ad valorem tax otherwise owed on homestead property. A causal connection between a disability and service in the line of duty may not be presumed, but must be determined as provided by general law. The term “disability” does not include a chronic condition or chronic disease, unless the injury sustained in the line of duty was the sole cause of the chronic condition or chronic disease.

Our View:

The Florida Chamber has no position on this amendment.
The Florida Farm Bureau OPPOSES this amendment.

**AMENDMENT NO. 5
Homestead Exemption for Certain Senior, Low-Income, Long-Term Residents; Determination of Just Value**

Official Ballot Summary:

Proposing an amendment to the State Constitution to revise the homestead tax exemption that may be granted by counties or municipalities for property with just value less than \$250,000 owned by certain senior, low-income, long-term residents to specify that just value is determined in the first tax year the owner applies and is eligible for the exemption. The amendment takes effect January 1, 2017, and applies retroactively to exemptions granted before January 1, 2017.

Sponsor:

The Florida Legislature

Analysis:

This amendment makes it okay for those 65 years and older to maintain their homestead tax exemption on their house as long as the value of the house (that they have maintained for 25 years) was less than \$250,000 **in the tax year that they applied**. Currently, tax payers who receive the exemption are denied the exemption in a later year if the just value of their homestead exceeds \$250,000. This amendment, which would be effective January 1, 2017 would allow to keep this tax exemption. They will not lose their exemption if their property value goes up.

Our View:

The Florida Chamber has no position on this amendment.
The Florida Farm Bureau OPPOSES this amendment.
